Club Roundup

Things seem to be toddling along quite smoothly at the moment. Most of our members have renewed their membership for the coming year. If you haven't done so and wish to remain a member please do so ASAP. For those who don't renew, this will be your last newsletter. Of course, if you don't intend to fly over the next year you can still maintain your membership as a social member for a very small cost. This will then avoid any joining fee if you decide to come back later.

Christmas is about to knock on our door again. The Christmas show has been booked for the 8th of December. It will be very similar to last year using Golden Roast as catering. More info will be forthcoming as the date gets closer.

A limbo fun fly was held a few weeks ago. Unfortunately the weather conditions didn't lend themselves to very favourable

Steve Wilkin with his new pylon model which flew very well at the 100 lapper.

conditions. Stuart Humpherson unfortunately had an incident in practice and wasn't able to fly afterwards. In the end there were three flyers brave

enough to attempt it. Results are 1st—Mike Savill, 2nd JJ, 3rd Bruce Adams. Well done guys for giving it a go.

The 100 lap pylon was held last Sunday. We had 12 pilots enter the competition. Again the weather was quite blowy in the morning but after lunch settled down nicely. The flying was enjoyed by most and competition was tight. In the end the winners were:

Sports Class:

- 1st, Mike Savill
 - 2nd Tom Jacobson
 - 3rd Steve Wilkin
- General Sports
- 1st Simon Halmen
 - 2nd Bob McEwin
 - 3rd Finn Kank

Thank to everyone who helped lap counting, starting, pylon/light operators and BBQ cooking.

Upcoming Events

Upcoming events this month include a scale day focusing on DeHavilland aircraft on 7th October and a O/T Texaco, 38 Antique event on the 14th of October. November sees the Aerobatic State Champs on the 3rd and 4th.

Wanted/For Sale

Murray Lews is looking for a OS .25 2 stroke that is in good condition. If you can help him out give him a call on 8337 4489.

I also have an on board glow driver for sale. Is in excellent operating condition. Will go to best offer. Give me a call on 8242 2119 if you are interested.

Next club meeting

The next club meeting on 29th October will be bring a model night. Feel free to bring any model along, it might be works in progress or one of your favourites.

Don't forget the newsletter is available via email. If you haven't registered your email address please send me an email to simy.h@kern.com.au.
